@RaphaelXLuna OML! YAS! *ahem* ok sooooo i got an ask for Scar to be revived and a dare for Rafiki!! Rafiki my main man er baboon teach Scar a lesson even if it means giving him a concussion XD

Avana: *laying on a rock in the sun with the other Lionesses as she gives her daughter Hasina a bath*

Hasina: *wiggling around* Mama stop!

Avana: *chuckles* Alright my little flower but don't come crying to me when the dirt on your fur starts getting itchy and uncomfortable.

Hasina: *jumps out of her mothers paws happily* I won't mama!

Hasina: *runs off and immediately falls into a muddy puddle from last nights rain* AH! MAMA!

Avana: *laughs at her daughter with the other lionesses and shakes her head* Oh my little Hasina your father would have loved you so.

{Sky suddenly darkens getting all of the Prides attention}

Avana: *looks up at the sky* Now what's going on here?

{Lighting hits the ground quickly followed by a loud clap of thunder startling everyone}

Hasina: AHHHHH! MAMA! *runs to her mother and jumps between her front paws and quickly buries her face into her mothers chest*

Avana: *wraps her paws around Hasina as she along with the other lionesses look in the direction the lighting hit seeing smoke*

Nala: *sits up looking to where the smokes coming from* That smoke looks like it's coming from Rafiki's tree.

Sarabi: *Hums in concern* I wonder if his alright?

Sarafina: *smiles at her friend* I'm sure he is Sarabi it'll take more then a little lighting bolt to kill that baboon.

{~At Rafiki's Tree~}

Rafiki: *staring at his visitor with a grin*

Scar: *looking around confused* I thought I was dead-Wait a minute.

Scar: *looks down and realizes his in a tree* Why am I in a tree!

Rafiki: *giggles* Why indeed.

Scar: *head snaps up quickly at the familiar voice and his eyes widen once they land on the owner* Oh not you again.

Rafiki: *narrows eyes* And what is that supposed to mean.

Scar: *scoffs and turns his head* Nothing for you to worry about monkey.

Rafiki: *glares and grabs his stick*

{~5 Minutes Later~}

Scar: *unconscious below Rafiki's tree*

Rafiki: *huffs* Maybe that will teach you some manners and knock some sense into you!

Rafiki: *turns around and walks back into his tree* Youngsters these days no respect I tell you no respect!

Ask #2

@NightmareShadow For Scar: Do u have a wife or no??

The Pride: *staring intensely at the resurrected Scar*

Nala: *glares* Why's *HE* back!

Avana: *sighs* My guess is that the great Kings brought him back.

Nala: *looks at her* But why after everything his done why bring him back!?

Avana: *looks over at her daughter playing with Kion* My guess.. Redemption.

Nala: *grumbles* He doesn't deserve redemption.

Sarabi: *looks up from her spot on a rock* I'd agree Nala but...doesn't everyone deserve a second chance every once and awhile?

Nala: *sighs* I suppose but I'm not trusting him.

Sarabi: *nods with a smile* That's understandable young one it will take a long time before Scar can earn our trust again.

Sarabi: *looks over to Scar who's on a rock away from the Pride* And I believe he knows that himself.

Avana: *walks over to Scar* Scar.

Scar: *lifts his head and looks at her* Avana. *looks her over* You've grown.

Avana: *narrows her eyes* Yes well I was a cub the last time

you saw me.

Scar: *hums as his gaze turns to Hasina* I see you have a cub of your own now.

Avana: *nods as she looks over to her daughter* That I do her name is Hasina.

Scar: *narrows his eyes* Who is her father?

Avana: *glares at him growling* That is none of your business Scar!

Scar: *smirks* My quite defensive there aren't we~

Avana: *snarls* WELL AT LEAST I HAD A MATE!!

Scar: *holds up a claw* Ah there it is you said 'had' meaning you no longer have one.

Avana: *growls louder* Why you- Did you even have a mate!

Scar: *frowns* I did actually. *sits up* And you should know her quite well after all. *smirks* She is your mother.

Avana: *roars in anger* ZIRA WAS NO MOTHER!!

Scar: *amused* Oh... What a thing to say about the lioness that raised you~

Avana: *sneers* Exactly! She raised me but she wasn't my mother! Zira only took me in because she wanted to make me one of her followers!

Scar: *huffs laying his head back down* Believe what you want to my dear but Zira is my mate and though you might not be blood you are still my step-daughter.

Avana: *shakes in anger* I AM NOT YOUR DAUGHTER!! *storms away in fury*

Ask #3

[image]

@Cloudy_Day2 OOOOH! I gots a ask! Simba I heard that you had a son named Kopa before Kiara and Kion. Is it true or is it all a fluke?

(Picture above is Sadiki)

Avana: *fuming on top Pride Rock while pacing*

The Pride: *watching her*

Hasina: *sitting in between Vitani's paws watching her mother*

Hasina: *looks up at Vitani with a worried look* Aunt Vitani is Mama ok?

Vitani: Uhh *looks down at her* Y-Yea don't worry Hasina your mother just.. *looks back up at Pride Rock* Needs to let a few things out..

Avana: *growling in anger* Why, WHY DID YOU HAVE TO BRING HIM BACK!?!

Avana: *walks to the edge of Pride Rock and looks at the sky* WHY BRING SCAR BACK! I KNOW YOU CAN HEAR ME!

{~With The Great Kings Of The Past~}

A male lion is seen looking down at Pride Rock with fear in his eyes as he watches the lioness roar angerly at the sky...at him.

The other great kings: *looking at him in amusement some are even laughing at his misfortune*

{~Back With Avana~}

Avana: *glares at the sky* For the love of- GET YOUR SPIRITED ASS OUT HERE SADIKI!!

Simba: *walks up behind her* I see your angry at the great kings.

Avana: *turns to Simba* Tsk Yea I'm mad at them for bringing back Scar *growls lowly* But I'm mostly mad at just one of them in particular..

Simba: *smirks* I can tell you were shouting Sadiki's name rather loudly.

Avana: *glares* Yea well if he was still alive I'd be beating his furry ass!

Simba: *chuckles* I'm sure you would Avana.

Avana: *sighs* How are you and Nala today Simba?

Simba: We are doing well thank you for asking what about you Avana?

Avana: *sits down* Well I'd be better if Sadiki was here so I could beat his ass!

Simba: *laughs* Yes I suppose you would!

Simba: *calms down* Now how are you fairing with raising Hasina on your own?

Avana: *smiles* I am fairing well Simba we both are. But I do have a question.

Simba: *sits down* Go on.

Avana: Simba.. Did you ever have a cub before Kiara and Kion?

Simba: *stiffens before sighing* I did yes his name was Kopa but...

Simba: *looks at the ground sadly* He died along time again.

Avana: *shocked* Wow...That's gotta be tough I mean losing a cub...It's like ouch!

Avana: *looks down to where her daughter is* If I lost Hasina...

Avana: *pins her ears back* I wouldn't know what to do with myself.

Avana: *eyes sadden* *'Especially because she's all I have left of him.'*

Ask #4

@chloebong Ok so Kion how does it feel being the leader of the lion guard

---

Hasina: *watching the lion guard in awe as they calm down a herd of Zebra*

Kion: *standing infront of the herd* Alright everyone calm down there's no need to panic and run.

Thurston: *scared* But there was a hyena!

Kion: Yes and we took care of it there was no need for your herd to panic and run!

Thurston: *steps forward* Are you a zebra?

Kion: *confused as he takes a step back* Uh no.

Thurston: Exactly so how would you possibly know when it's time to panic and run.

Kion: Uh I guess I wouldn't?

Thurston: *nods* Exactly you wouldn't *turns and walks off with the rest of his herd*

The Lion Guard: *sigh in annoyance and exhaustion*

Kion: *smiles at his friends* Alright guys I think we're done for today you can all go and relax now.

The Lion Guard: *nod smiling* Ok Kion. *turn and go their separate ways to relax*

Hasina: *walks over to Kion with a smile* Hey Kion!

Kion: *turns to her* Oh hey Hasina.

Hasina: That was great work you just did.

Kion: *surprised* Oh you were watching?

Hasina: *nods* Yep!

Kion: Huh? I didn't notice.

Hasina: *rolls her eyes* Obviously anyway how do you do it?

Kion: *tilts head* Do what?

Hasina: Lead the Lion Guard Kion how does it feel anyway I mean your tasked with keeping the whole Pridelands safe.

Kion: Uh *looks up at the sky* Well it's alot of pressure but after awhile you kinda get used to it. *look back down at Hasina with a smile* Besides nothing can beat the feeling you get when you help an animal out.

Hasina: *smiles* I guess that makes sense.

Ask #5

@chloebong Um for everyone do any of you have your stressful moments like you're to stress that you accidentally snapped at someone if yes here have hug

---

Avana: *huffs* I only get stressed when Hasina becomes rebellious which unfortunately she gets from her father.

Hasina: *tilts her head in confusion* I do?

Avana: *nods* Yes your father was quite rebellious in his younger years and still had some of that when we became mates though it died down completely when we discovered we were having you.

Hasina: *pins her ears back and looks down sadly* I wish I could have met Papa.

Avana: *sighs and looks to the sky* And I wish he could have met you my little flower.

Sarabi: *shakes her head* No I don't believe I've ever got stressed so much that I snapped at anyone.

Sarafina: *nods* I've only ever snapped at someone because of stress once and that was when I was pregnant with Nala.

Sarabi: *chuckles* Oh I remember that you scared your mate half to death!

Sarafina: *giggles* I did didn't I.

Sarabi & Sarafina: *start talking about all the times they scared their mates during their pregnancy's while laughing*

The Others: *looking at them with wide eyes some have amused smiles while Simba and Nala look horrified at some of the stories their mothers were talking about*

[And the others got so caught up in making fun of Simba and Nala while listening to their mother's slightly embarrassing/ funny stories that they completely forgot to answer the ask]

Dare #2

@WriterManha08 Okay, so, I have no idea where this came from, but I have a dare for Kion. It is to say "no" to everything everyone asks him, even if it is the request for help. I would be delighted if you do my dare whenever you have time. Thank you!

Kion: *walking around the savanna with his head slightly down muttering something under his breath*

Kion: *Walks past a ledge that has sharp rocks under it*

Hyrax: *dangling from a twig over said ledge* HELP! SOMEONE PLEASE HELP ME!

Kion: *stops and walks over to the ledge and looks down at the little Hyrax*

Hyrax: *looks up when a shadow cased over him and smiles happily when he sees Kion* PRINCE KION!

Kion: *shifts his paws* Hey!

Hyrax: *happy* Could you please help me I was just looking for something to eat when I fell down here can you help me Prince Kion?

Kion: *gets a nervous look* Uh.

Hyrax: *giving him the puppy eyes* Please help me.

Kion: *So badly wants to say yes but* No.

Hyrax: *face falls*W-Why your the leader of the lion guard right? Your suppose to help anyone in trouble!

Kion: *annoyed* Yea well I can't today sorry!

Kion: *backs away from the ledge and trots off*

Hyrax: Wha- HEY YOU CAN'T JUST LEAVE ME HERE!!

Hyrax: *slips a little* Ah! SOMEONE PLEASE HELP MEEEE!!

{~Later~}

Kion: *walks past big springs*

Beshte: *spots him* Hey Kion! Do you want to swim with me the waters great!

Kion: *picks up his pace* No thanks!

Beshte: *confused* But Kion-

Kion: *growls quietly* I SAID NO! *runs off*

{~Later~}

Kion: *drinking from the waterhole*

Hasina: *walks over* Ah Kion here you are!

Kion: *chokes on the water and starts coughing*

Hasina: *gasps* KION! *runs over to him and places her paw on his back* Are you ok? Sorry if I scared you.

Kion: *stops coughing and moves away from her* Uh it's fine Hasina really!

Kion: *clears throat and smiles at her* What do you need Hasina.

Hasina: *blushes slightly* Well...I was wonder if maybe you'd.....Like to take a walk around the Savana with me sometime?

Kion: *tenses and starts shifting his eyes around nervously because he knows he can't say what he really want's to*

Hasina: *notices his behaviour and pins her eyes back in worry* Kion? W-What do you say?

Kion: Uh? *looks at her in the eyes and takes a deep breath* No!

Hasina: *sad* W-What?

Kion: *closes his eyes* I said no Hasina.

Hasina: O-Oh *looks down in sadness and rejection* I-I see.

Kion: *makes the mistake of opening his eyes and looking at her expression and feels his heart break at the look on her face*

Kion: *takes a step forward* Hasina I-

Hasina: *shakes her head and give him a sad smile* It's ok Kion.. I-I understand.

Kion: *lowers his head* But-

Hasina: I'll just go.. *stands and turns away* Uh see you around Kion.. I guess. *runs off back to Pride Rock*

Kion: *watches her leave his ears pinned back as he whispers in sadness* Hasina.

Dare #3

@chloebong Dare for Simba to sing why from derivikat

Simba: *shifts his paws* I believe I can do that.

Simba: *walks around to the back of Pride Rock where he should be alone*

Simba: *checks around to make sure he is alone before clearing his throat*

Simba: ~Look at what you've done, Is this what you call glory~

~Do you still believe you're the hero of your story~

~I longed for peace, But you couldn't leave it be~

~Now you've played your part in this forever unfinished symphony~

~Oh, It hurts, And It hurts, And It's getting worse~

~A promise you made, Cut down by your blade~

~Can't stand the rain, Can't stand the pain~

~How It breaks my heart when you tear it apart~

~So why?~

~Why did you lie?~

~Why did your words amount to nothing~

~And why?~

~Why did it fall?~

~Why did you leave me here with nothing~

~Look at what you've done, Is this your happy ending~

~Look around and see, This is history repeating~

~Do you even care that you've left things beyond repair~

~It was by your hand, You've turned a masterpiece into a nightmare~

~Oh, It hurts, And It hurts, And It's getting worse~

~You act like a judge, Enforcing your personal grudge~

~Am I to pay for this war you've raised~

~Yes It breaks my heart when you tear It apart~

~So why?~

~Why did you lie?~

~Why did your words amount to nothing~

~And why?~

~Why did it fall?~

~Why did you leave me here with nothing~

~Look at what you've done, You've brought upon disaster~

~Do you still believe this is the justice you sought after~

[In the background Avana could be seen walking and talking with a mysterious lone Lion as they giggle and laugh every now an then with each other]
